Cross Test Spirit Level

Starrett®

RS Stock number [724-3787](#)

Description:

The spirit level has two vials at right angles which permit leveling in both directions without moving the level from the work. The level is light and compact, with an attractive black wrinkle finish and a ground reference surface.

Features:

Frame Material:	Cast Iron
Level Type:	Cross Test Level
Model Number:	DX010
Number of Vials:	2
