

# Touch™ 3D stylus

Please refer to the Touch User Guide for safety and comprehensive operating instructions. You can find the Touch User Guide on [Cubify.com/Touch](http://Cubify.com/Touch).

1

## Go to [Cubify.com/Touch](http://Cubify.com/Touch)

Register your Touch by logging in or creating an account.

2

## Plug in Touch to USB

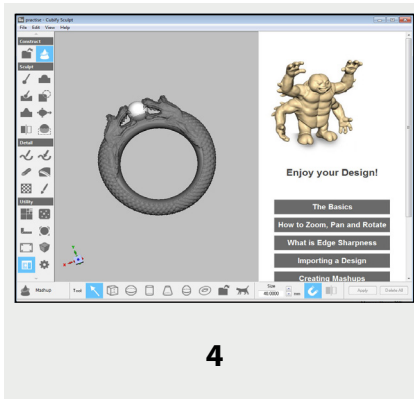

Plug the Touch into a USB port. Plug the power supply into the Touch and a power outlet.

3

## Handling and using Touch

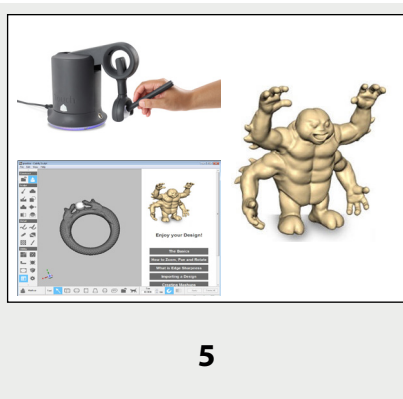

See the Touch User Guide for proper handling and the correct way to hold the Touch.

4

## Download and start your 3D software

Register and activate your 3D software online. When you start the application, Touch automatically recognizes it.

5

## Start designing!

Find inspiration and start designing your world.
