HandiMark® Indoor/Outdoor Tapes

B-595 vinyl will adhere to difficult low surface energy items, including: PVC piping, blow-molded equipment cases, ABS plastics, powder-coated surfaces and equipment made from recycled plastics. The B-595 material also excels at sticking to highly textured surfaces such as painted cinder block walls, finished uneven wood, textured plastics, rough-pipes and paper-jacketed pipes.

Overview

Specifications

Article Number: 142273

Order Reference: Handimark Tapes - B-595 25mm yellow

Brady Material Number: [B-595](#)

Material Type: Permanent Vinyl

Printer Compatibility: HandiMark

Colour: Yellow
