Ref 90

White Commercial Care Light Duty Cleaning Pad for delicate surfaces

Technical Data

TD 204

Date : November 98

Supersedes : November 94

Author : PL

Description :

The product is a thin white, delicate surface cleaning hand pad, made of high quality synthetic fiber forming an open textured non-woven web, having very soft cleaning particles evenly dispersed throughout and bonded to the web with a durable resin.

Product Advantages :

- Soft and without any aggressiveness. Convenient for most delicate surfaces.
- Flexible and conformable.
- Long lasting.
- Easy to rinse/wash after use.
- Can work in hot water and usual cleaning chemicals (shall not be significantly affected by hydrocarbon solvents).
- Doesn't keep or release harmful ingredients.

Where and When to Use :

The product is used with a detergent or cleaner for cleaning very delicate surfaces : glass, porcelain, bathtubs, washbasins, dishes, vitreous china, sinks, toilet bowls and tile walls, chrome, copper.

Maintenance :

- Rinse the pad after each use under tap water.
- If needed, remove deep embedded soil by brushing the pad with a nylon brush.
