

Metal Over Cap Accessory Kit  
Part Number: AC183026

**Metal Over Cap Accessory Kit  
(Part # AC183026)**

The AC182036 kit contains 2 daughter boards showcasing Metal Over Cap technology. One board has a Stainless Steel cover while the other one has a plastic one.

It provides an easy way to evaluate Microchip unique technology, when used in conjunction with the mTouch Cap Touch Eval Kit [DM183026-2](#).

Specific demo Softwares for this kit are included in the [mTouch Capacitive Touch Library](#).
