Datasheet

Mod jack RJ45 vertical shld vertical

RS Stock number [735-0302](#)

Dimensions: (mm)

Specifications

Material

- Insulator Material: Glass Filled PBT
- Colour: Black
- Contact Material : Copper Alloy
- Contact Type: Stamped
- Contact Plating: Selective Gold
- Shielding: Bronze Ni plating
- Quality Class: 500 Mating Cycles
- Flammability Rating: UL94-VO

Environmental

- Operating Temperature: -25°C up to $+85^{\circ}\text{C}$
- Compliance: RoHS Compliant and Lead Free

Electrical

- Current Rating: 1.5A
- Working Voltage: 120V AC
- Dielectric withstanding voltage: 1000Vac/MN
- Insulation Resistance: > 500 MOHM
- Contact Resistance: 20mOHM Max
