COSHH Poster

600 x 420 mm COSHH Poster

ENGLISH

COSHH - Do you know all you need to know?

Under COSHH or the Control of Substances Hazardous to Health Regulations 2002, all persons at work need to know the safety precautions to take so as not to endanger themselves or others through exposure to substances hazardous to health. Below are four general classifications of risk - know the appropriate symbols, their meaning and their safety precautions.

Meaning	Safety Precautions
Toxic Cause death or acute or chronic damage to health when inhaled, swallowed or absorbed via the skin.  Acute (Cat 1-3)	<ol style="list-style-type: none">1. Wear suitable protective clothing, gloves and eye/face protection.2. After contact with skin wash immediately with plenty of water.3. In case of contact with eyes, rinse immediately with plenty of water and seek medical advice.4. In case of accident or you feel unwell, seek medical advice immediately.
Corrosive Substances and preparations which, may on contact with living tissues, destroy them.  Acute (Cat 4)	<ol style="list-style-type: none">1. Wear suitable gloves and eye / face protection.2. Take off all contaminated clothing immediately.3. In case of contact with skin, wash immediately with plenty of water.4. In case of contact with eyes, rinse immediately (for 15 minutes) with plenty of water and seek medical advice.
Harmful May cause death or acute or chronic damage to health when inhaled, swallowed or absorbed via the skin.  Acute (Cat 1-3)	<ol style="list-style-type: none">1. Do not breath vapour / spray / dust.2. Avoid contact with skin.3. Wash thoroughly before you eat, drink or smoke.4. In case of contact with eyes, rinse immediately with plenty of water and seek medical advice.

In case of contact with eyes, rinse immediately with plenty of water and seek medical advice.2. In case of contact with skin, wash immediately with plenty of water.3. Do not breath vapour / spray / dust.4. Avoid contact with skin.

UK

This poster is manufactured on a durable 1.2mm polypropylene.

Poster dimensions: 600 x 420 mm (h x w)

Legislation

GHS – The Globally Harmonised System of Classification and Labelling of Chemicals addresses the classification of chemicals by type of hazard and proposes harmonised hazard communication elements, this includes labels and safety data sheets.

GHS will repeal the current CHiP regulations in June 2015. GHS labels will replace the current CHiP labelling system, this means the orange and black pictograms will be replaced by new symbols on a diamond shape. This poster shows the updated images that will be used as of June 2015.

- Durable 1.2 mm Polypropylene
- 1 year shelf life
- Suitable for both indoor and outdoor use
- Manufactured on a recyclable material
