RS Pro 30A Green Automotive Blade Fuse

Specifications:

| Ampere Rating | Body Colour |
|---------------|----------------|
| 2A | Blackish Green |
| 3A | Violet |
| 4A | Pink |
| 5A | Tan |
| 7.5A | Brown |
| 10A | Red |
| 15A | Light Blue |
| 20A | Yellow |
| 25A | Natural |
| 30A | Green |
| 35A | Purple |

Features:

- Automotive Fuse
- Many kinds of automotive fuse.
- Current rating:10mA~60A.
- Voltage rating:32Vdc
- Excellent inrush current withstanding capability
- Excellent withstand capacity for thermal and mechanic shock
- Operating temperature range: -55°C to +125°C
- Transparent Body
