

# Deluxe Rim Caddy

The Deluxe Rim Caddy, designed to fit the 167L Brute containers, includes a variety of storage space to easily organise & retrieve cleaning supplies.

Fit on a Brute dolly, the container becomes a one pass cleaning solution enabling the combination of multiple cleaning steps and the ability to hold separate waste streams for recycling efforts.

FG9VDRC4400

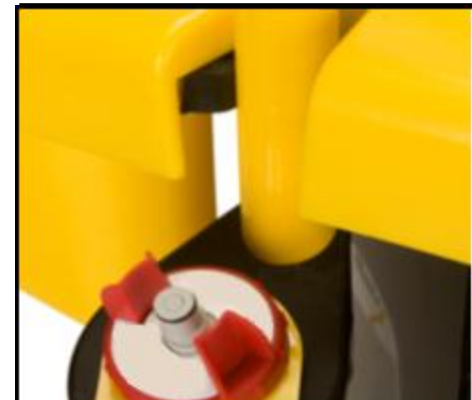

- Holds two can liners for collecting recyclable and general waste, eliminating a separate waste collection pass through an area.
- Deluxe Rim Caddy's organised storage of cleaning supplies makes an extra trip to the supply cupboard unnecessary.

Opportunity to provide a customised cleaning solution

An ergonomic arched handle makes manoeuvring easy

Tool Holder for Rubbermaid Pulse™ Mopping Kit

Cleaning tools are not included with the caddy (sold separately)
