MINI MAGLITE PRO LED 2-CELL AA

DESCRIPTION

CLASSIC SIMPLICITY – Twist the head to turn on, turn off, and focus.

MODERN POWER – Next-generation LED for a whole new level of brightness.

The iconic look of our original Mini Maglite® 2AA flashlight, introduced more than a quarter-century ago, is still seen in this newest member of the family. So is that same classic simplicity of function. But there's one big difference: A state of the art LED light engine for unprecedented performance.
