## RS Pro Crimp Tool IDC, 28 to 24 AWG Wire Size

RS Stock No: **472-6740**

### Product Details

RS Pro punch down IDC tool is suitable for terminating wire to both Krone and 110 IDC blocks. The removable double-ended blades allow for punch down action on one end and punch down/cut on the other. The universal punch down tool features a spring-loaded collet allowing for quick fitting of the blades. One blade can be stored within tool body. This 158 mm crimp tool supports a wire size of 28 to 24 AWG.

### Features and Benefits

- For terminating wire to both Krone and 110 IDC blocks.
- Supports a wire size of 28 to 24 AWG
- Features a spring-loaded collet allowing for quick fitting of the blades
- Blades must be ordered separately
