

Product Data Sheet

Part Number	IBNY10011030
<u>Overview</u>	100mm Stainless steel braked castor
Manufacturer	Flexello
<u>Attributes</u>	
Load capacity	150kg
Type	Swivel braked
Wheel diameter	100mm
Tyre material	Nylon
Mounting	Top plate 105x85 Bolt holes 80x60mm
Wheel width	32mm
Overall Height	128mm

Selling Points	Stainless steel non corrosive material Nylon wheel allows castor to be washed down Suitable for food industry European standard bolt holes Double ball race in swivel head
