RS Pro 500 g Bronze Tub Epoxy Adhesive for Brass, Bronze, Metal

RS Stock No: **691-202**

Product Details

RS Pro 500 g bronze tub epoxy adhesive is a durable two-part epoxy compound for maintenance and repair of a broad range of equipment. This epoxy adhesive provides long-life protection against abrasion, corrosion and chemicals. It is suitable for bronze and brass machinery parts as well as castings, bushes and shafts when brazing is not possible.

Features and Benefits

- Repairs bronze and brass machinery parts
- Use on castings, bushes and shafts when brazing is not possible
- Easily machined, tapped and drilled
- Dry service temperature: 121°C (maximum)
- Pot life: 35 minutes
- Mix ratio: 9:1

Specifications:

Colour	Bronze
Filler Material	Bronze
Material Compatibility	Brass, Bronze, Metal
Package Type	Tub
Maximum Operating Temperature	+121°C
Setting Time	35 min
Cure Time	16 h
Operating Temperature Range	Maximum of +121°C
Package Size	500 g
Shear Strength	18 MPa
