

JUMELÉE

APPLICATIONS

Promotional display stands.
Furniture.

Small diameter castors are able to support a medium-sized load.

CASTOR ASSEMBLY: • Swivel. • Pressed steel. • Swivel on two rows of balls. • Plate or central bolt-hole fitting. • Bright zinc-plated protection.

WHEEL: • Double wheels which form a differential during the swivel.
• **Polychoc:** Black polypropylene one-piece wheel. • Plain bearing. • Bolted axle.
• **Plastex:** Grey polypropylene wheel. • Thermoplastic tyre. • Plain bearing. • Bolted axle.

LOCKING: • Double action rear brake: wheel and swivel lock. • Steel pedal.
