

DE.SOLV.IT Anti-Static Foam Cleaner/ Degreaser (DSI 5000AFC)

Product Data Sheet

PRODUCT DESCRIPTION

Multi-purpose deep cleaning anti-static foam spray containing natural citrus oils. For use on electrical components and equipment such as photocopiers, computers and fax machines, it breaks down grease, dirt and stubborn contaminants on hard surfaces. Its foam formulation allows it to dwell on surfaces, improving contact time and enhancing cleaning performance, particularly on heavily soiled areas.

Anti-Static Foam Cleaner/Degreaser is compatible with hard surfaces such as computer casings, glass and vinyl, and also fabrics.

For specific Health & Safety data please refer to the product safety data sheet.

APPLICATION METHODS

Shake the can well and spray Anti-Static Foam Cleaner/Degreaser onto a cloth or directly onto the surface to be cleaned.

For heavy soiling allow to dwell for 1-2 minutes and then wipe or rinse away.

PHYSICAL PROPERTIES (Typical values) Anti-Static Foam Cleaner/Degreaser

<i>Density</i>	1.0g/cm ³	<i>Auto ignition temperature</i>	N/A
<i>Vapour density</i>	N/A	<i>Explosion limits @ 28°C</i>	N/A
<i>Viscosity</i>	N/A	<i>Appearance</i>	White foam
<i>Solubility in H²O</i>	Totally Soluble	<i>Odour</i>	Citrus
<i>Flashpoint</i>	- 20 °C	<i>Safety Profile</i>	Extremely flammable
