

# hp no. 27 black inkjet print cartridge (10 ml)

## hp c8727ae

The HP No. 27 black inkjet print cartridge (C8727AE) includes specially developed, patented ink formulations and advanced inkjet print cartridge technology that are designed and optimized together with the colour inkjet printing system to ensure crisp, laser-quality black text every time you print.

### Features & Benefits

- ◆ The HP No. 27 black inkjet print cartridge (10ml) produces approximately 220 A4 size pages at 5% coverage (number of pages will vary depending on usage).
- ◆ Patented, pigment-based inks for laser-quality black text that are fade-resistant.
- ◆ Large print swath (0.33 inch) and high-speed 416 nozzle printhead for fast printing at up to 18 kHz firing frequency.
- ◆ Enables supplies level status monitoring and alerts proactively when and which supplies are needed
- ◆ Each HP inkjet print cartridge consists of an integrated printhead and ink supply; designed for easy snap-out/drop-in for clean, fast replacement. The result is a new printhead and fresh ink every time the print cartridge is exchanged for maximum print quality and reliability.
- ◆ Scientifically designed to interact with HP colour inkjet printers to deliver consistently true black text
- ◆ Small ink drops (17pl) provide exceptional laser-quality output
