

Basic Optical Mouse

Experience the convenience of optical technology at great value. Replace that old-fashioned 'roller ball' with a mouse that works on virtually any surface. It's easy-to-use, comfortable, and features a scroll wheel.

Value in an Optical Mouse

Scroll Wheel

Simply roll the wheel to move around in documents and Web pages - no more clicking the on-screen scroll bar.

- » Scroll Wheel
- » Left- or Right-Handed
- » Customisable Buttons
