Who is this book for: Candidates preparing to take the City & Guilds 2394 and 2395 examination (previously 2391).

Product description

Published by City & Guilds in association with the IET, this Exam Success book provides a wealth of information and advice for candidates preparing to sit the City & Guilds Level 3 Certificate in Inspection, Testing and Certification of Electrical Installations (2394 and 2395).

This revision guide equips learners with a focused exam preparation tool, familiarising them with exam-style questions and enabling them to identify weak knowledge areas for improvement.

The book includes:

- two full sample exam papers
- answers and comments accompanying each paper
- a structure designed to reinforce knowledge and understanding of the subject
- frequently asked questions and hints & tips from the examiners.

About the Author

This book is written by City & Guilds consultants Malcolm Doughton and Chris Johnston and approved by the IET to ensure sample papers which best reflect the questions candidates will encounter in the live exams.
