Tools for the Professional

Product Catalogue 1 October 2013 – 31 March 2014

FISHER

Since our factory was established in 1946 by Otto Fisher we have strived to produce a range of quality measuring tools that is competitive on price around the world. The Combination Square has become a 'must have' in any tool box, the 285 set becoming the flagship of the Fisher Range.

A Must Have For Any Toolbox
