

Guide rails with coding, grey

Part no.: 64560-091

Features:

- With keying/coding block
- The ESD clip ensures a conductive contact between the printed board and horizontal rail, both on the solder side and on the component side
- The ESD clip for alignment pins (complying with IEC 60113-1) can be mounted in the guide rails with keying/coding and in the keying/coding block. It ensures a conductive contact between the alignment pin of the insertion/extraction handle (IES or IET handle) and the horizontal rail
- With Qty: 1, standard pack quantity 50 pieces

Standard pack quantity 50

Technical information:

| Board lengths | Groove width | Finish | Qty              |
|---------------|--------------|--------|------------------|
| 220 mm        | 2 mm         | red    | 1 piece (SPQ 50) |
