

Datasheet

PVC 5m Long Grey Flexible Ducting Reinforced, 50mm Bend Radius , Applications Various

RS Stock number [327-8672](#)

Product Details

Lightweight PVC Ducting

- A white PVC helix embedded in flexible dark grey PVC with smooth bore & corrugated cover
- Highly flexible, retains full diameter in tight bending radii
- Good abrasion resistance, suitable for shot recovery, wood chippings, sawdust and fume extraction
- Self extinguishing to UL94 V2

RS, Professionally Approved Products, gives you professional quality parts across all product categories. Our range has been testified by engineers as giving comparable quality to that of the leading brands without paying a premium price.
