Straight Male 1/4in, 1/4 in BSP Male, Nylon

RS Stock number 795-118

Product Details

Straight Connector

These taper thread connectors have a taper screw on one end and a push-on hose connector on the other end. The hose sits securely due to the ribbing of the push-on connector. The 3 available thread types are coloured as followed, Metric taper thread (light grey), Whitworth pipe thread (anthracite) and NPT thread (black).

RS, Professionally Approved Products, gives you professional quality parts across all product categories. Our range has been testified by engineers as giving comparable quality to that of the leading brands without paying a premium price.

Plastic Push Fittings
