

Datasheet

RS 8in Multi-Purpose Heavy Duty Shears

RS Stock number **829-6492**

Overall Length: 200mm

Cutting Length: 50mm

Hardwearing heavy duty shears for multiple general purpose duties. The hardwearing design and serrated, angled jaw make these shears ideal for use in textile applications.

- Wire cutting notch for cutting soft wire up to 2.5mm
- Strong Stainless Steel blade with serrated edge for excellent grip and easy cutting through fibrous materials
- Safety lock to avoid unintentional jaw opening
- Soft comfortable Thermoplastic Rubber handle
