RS Pro Adhesive Steel Soundproofing Sheet, 297mm x 210mm

RS Stock No: **435-9794**

Product Details

RS Pro adhesive steel soundproofing sheet measures 297 x 210 mm and comes with a self adhesive layer in order to fix to the unit requiring sound deadening. It can be easily retro-fitted to existing or original equipment where noise is a problem in many industries and applications. This sheet consists of two 0.6 mm metal skins with a thin energy absorbing viscose elastic polymer centre for added benefit.

Features and Benefits

- Credit card size (86 x 54 mm) in bag of 6
- A4 size (210 x 297 mm) in bags of 3
- Effective at reducing sound and vibration up to 30dB(A)
- Can also reduce metal fatigue in vibrating components such as vibrating hoppers

Specifications:

Adhesive Backing	Yes
Material	Steel
Length	297 mm
Typical Sound Attenuation	30 dB
Width	210 mm
Standards Met	RoHS Compliant
