

TECHNICAL DATA SHEET

RS 764-3011 Printer Cleaner

RS 764-3011 is a fast-drying solvent cleaner specially formulated for the quick and efficient removal of ink from printer and typewriter rollers, inkjets processing and printing equipment and franking machines.

- Excellent removal of general stains, dust and grease.
- 'Re-textures' rubber print rollers
- Leaves a perfectly clean, dry surface - conventional solvents often leave greasy deposits which attract dust and dirt.
- Harmless to most plastics, rubbers, elastomers, and surface coatings. Not suitable for sensitive plastics such as polystyrene, polycarbonate or ABS (test if unsure)

Technical Properties:

Appearance:	Aerosol
Colour:	Colourless
Odour:	Characteristic
Flammability:	0.8% to 9.0%
Relative Density (g/ml):	>1.0 @ 20°C

Packaging

400ml Aerosol

Order Code

RS 764-3011

Directions for Use

RS 764-3011 contains flammable solvents so do not spray onto live electrical equipment or other sources of ignition. Spray onto surface to excess and allow to evaporate. A brush or foam tipped bud may be used to remove any stubborn deposits.
