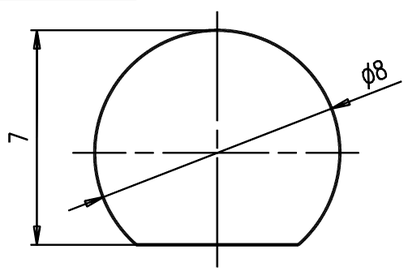
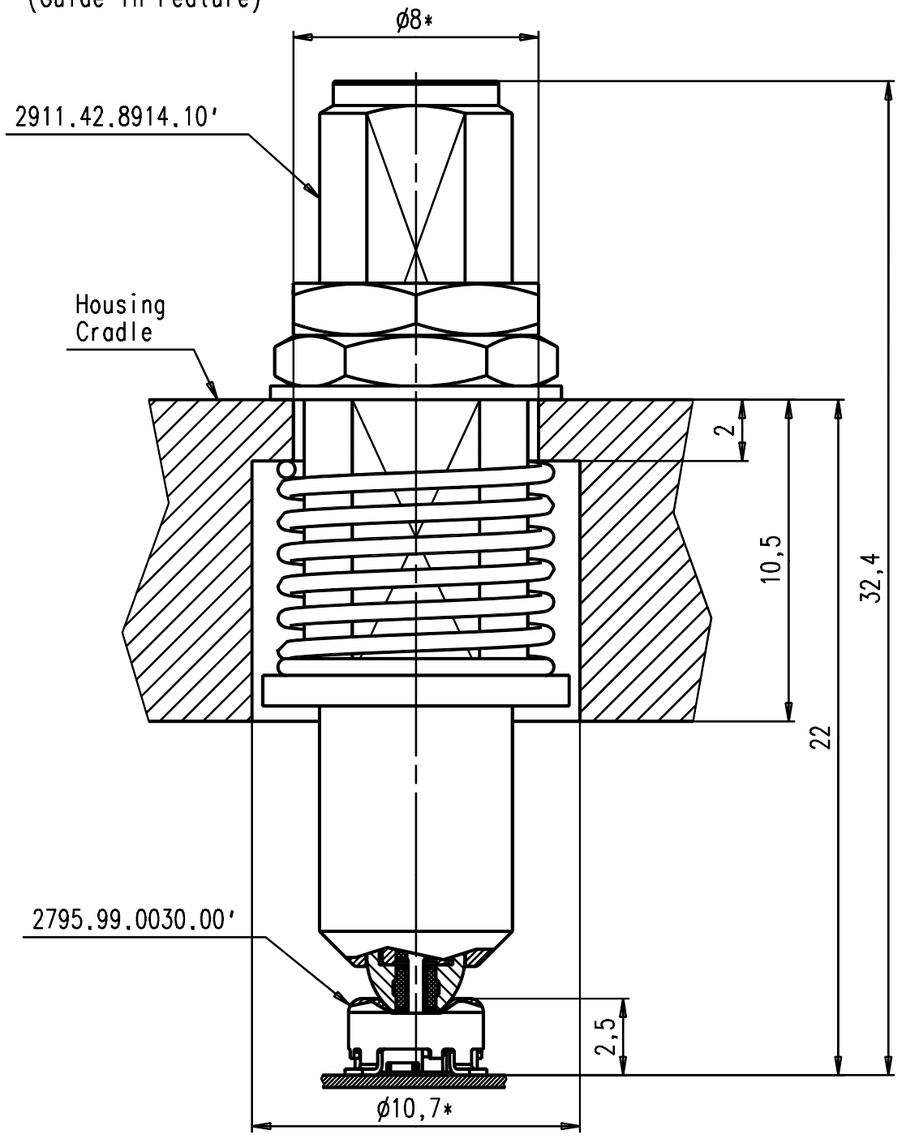
mounting hole



Assembly Proposal:
(Guide-in Feature)



This adapter is only useable in combination with switch 2795.99.0030.00' .
The maximum allowed misalignment between the switch 2795.99.0030.00'
and the testadapter 2911.42.8914.10' is 0,3mm.

* The dimensions ø8 and ø10,7 in the assembly proposal are deflecting the misalignment.
